## Warranty Program

### You're covered with SOPREMA

Choosing SOPREMA means choosing reliability. As a testimony to the trusted performance of its products, SOPREMA offers a complete Warranty program that lives up to its reputation. You simply choose the level of protection you require to ensure your total peace of mind.

### The SOPREMA LIMITED Warranty

With the purchase of any waterproofing roofing membrane, you receive a 10-year LIMITED Warranty. Building envelope solutions, like SOPRASEAL air/vapour barrier and COLPHENE foundation waterproofing membranes come with 5-year LIMITED Warranties. If a leak is the result of a manufacturing defect, SOPREMA will replace product deemed to be defective\*.

### Extend your roofing Warranty

Whether it's for a new construction, roof replacement or installation of a SOPRANATURE system, our line-up of PLATINUM Warranties are among the best in the business. With the added advantage of being non pro-rated, they provide complete protection against manufacturing or installation defects\*. Depending on the system and your needs, the PLATINUM Warranties are available for 5-, 10-, 15- or 20-year coverage.

### The PLATINUM

The PLATINUM Warranty is available in on ALL SOPREMA roofing systems in increments of five, ten and fifteen years. Additional protection for your roofing system.

Protection for new

### *Generations*

To minimize the environmental impact and to help save you time and money, SOPREMA has a number of roofing solutions that eliminate the need to remove the old roofing system. These products are protected by 10- or 15-year PLATINUM GENERATIONS Warranty.

*Sopranature*  
a natural choice.

Putting in a garden roof system is an act of kindness for our urban environment. To support customers in their environmental efforts, SOPREMA offers SOPRANATURE PLATINUM Warranty for 10, 15 and 20 years.

### A PRIVILEGED warranty for unique products

The PLATINUM PRIVILEGE Warranty applies exclusively to SOPREMA's high-performance waterproofing systems. Featuring a composite construction, these membranes exhibit superior strength. As a testimony to their durability, SOPREMA offers a PLATINUM PRIVILEGE Warranty on these products for the price of a regular PLATINUM Warranty but for longer periods up to 20 years.

### Experts at your service

In order to take advantage of protection matched to your specific needs, don't hesitate to call your SOPREMA representative. He/she will advise you on the best choice of product for the job, assuring that your building and its occupants enjoy only the highest level of protection.
