# TRAFIK HP 510 ZERO

**SOPREMA stands apart with its innovative line of polyurethane products. Our TRAFIK HP 500 traffic waterproofing system is the ideal solution for the protection of your vehicular and pedestrian traffic concrete surfaces.**

**TRAFIK 510 ZERO** is a high performance primer which meets and surpasses the standards set by Environment Canada as well as the USA's Environmental Protection Agency (EPA).

SOPREMA is the first manufacturer to develop a polyurethane single component primer without volatile organic compounds (VOCs).
