

SOPREMA IS THERE FOR YOU, NOW MORE THAN EVER!

EVEN TWO METRES AWAY,
WE ARE THERE!

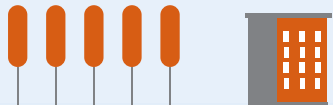

In this new era, construction workers must rethink the way they build. Our industry is restarting, so it's time for us to go back to what we do best – helping you build. SOPREMA Canada has been maintaining all of its operations and is doing everything in its power to support the revitalization of the construction industry. Together, let's rebuild our local economy!

Made by
Canadians,
for Canadians

Our products are ready to be shipped to your worksites since they are made locally.

- 1 Support of the local economy as we employ more than 800 people from our communities
- 2 Quick supply services thanks to our 11 insulation and waterproofing plants strategically located across Canada
- 3 Shipping from within Canada, thus ensuring efficient delivery and reduced logistics costs
- 4 Guaranteed independence and peace of mind in the face of unexpected border hassles

Our employees are ready to support and guide you while complying with the new regulations.

- 1 A family-owned business created in 1908 and offering global expertise
- 2 Safe delivery of our products from coast to coast
- 3 Quick service with more than 70 field representatives in 10 Canadian sales offices
- 4 Active customer service across Canada
- 5 Continual service since the beginning of the pandemic without any interruption to better serve you

High-end service
maintained during
the pandemic

Products and services
that are compliant with
Standardized Protocols
for All Canadian
Construction Sites

Our new safe work methods have been implemented so that we can continue to serve you while complying with the proper safety practices on construction sites.

- 1 SOPREMA, a dynamic actor in the industry in terms of prevention
- 2 Promoting new safety rules as a manufacturer
- 3 Providing an expert-designed site-visit protocol for our technicians
- 4 Offering support to our customers to ensure the safe installation of our products
- 5 Hosting more than 1,500 training courses for installers every year across the country
- 6 Offering a variety of training programs on waterproofing and insulation products covering the entire building
